

# PRODUCT USE GUIDE FOR BDS DRAIN HAIR DIGESTER

## Product Description

Regular use of BDS Drain Hair Digester effectively removes hair and body fat build-up in drains and sink plug holes. It removes the source of smells and eliminates the cause of blockages and other drainage problems. Contains up to 20 dose applications.

## Product Features

A unique non-toxic, biodegradable combination of microbial and chemical technologies which work in combination to significantly reduce the build-up of hair and associated blockages in sinks, showers and pipework systems.

Hair degrader has been designed with the environment in mind and offers an effective, ecologically compatible alternative to more conventional caustic treatments.

## Direction for Use

Pour 50ml of product into each affected sink drain, shower plughole. For best results, dose last thing at night. Do not flush any further water into the outlet once product has been added. Leave the product a minimum of 8 hours before rinsing through with warm water.

Stubborn blockages may require repeat applications.

Dose problematic sinks, showers and drains on a weekly basis to maintain blockage free outlets and pipe work.

## Storage

Store in cool conditions away from direct sources of heat

Avoid extremes of temperature

Do not allow to freeze

Ensure the cap is tightly fitted after use

Keep out of reach of children

## Shelf Life

Shelf life 24 months, if stored as recommended.

Use within 6 months of opening.

## Environmental Hazards

The surfactants contained in this preparation are ultimately biodegradable and thus comply with the biodegradability criteria as laid down in Regulation (EC) No. 648/2004 on detergents. However, do not allow large quantities of product to enter surface waterways.

**Note:** This product is only to be used for the purpose for which it was intended and in accordance with the specified instructions. This product should never be mixed with other chemical products and should be handled with care and stored carefully out of reach of children.
